## A RUGBY SEVENS TOURNAMENT FOR REGIONAL TEAMS

### THIRD ANNUAL TOURNAMENT

Prague/Havířov 21.1.2005

Dear General Secretary,

In November of last year, we wrote to tell you that the Czech Rugby Union and the Rugby Union of Northern Moravia are organising the third Annual International Tournament for juniors playing Rugby Sevens, to take place in September 2005. This Tournament is called "The European Talent Cup" and is open both to Regional Representative Teams and strong club sides. Because the original date for the receipt of applications was too early, we would again like to offer you the chance to take part in this tournament. In order to give you sufficient time to decide, we have changed the final date for receipts of applications to the end of April. Please tell all your regional and club organisations about this tournament. We are currently sending out invitations.
