

To the attn.of: Daniel Mitrea,
copy for FIRA-AER Secretariat
Subject: Level 1. Course for coaches & referees

Dear Daniel,

As we have mentioned, we should like to organize the Level 1 Course for coaches & referees. On the base of our preliminary appointment the date would have been on the 20-22th of January 2006. We think to put off this date because we will not be able to find a pitch (due to the weather) where we can demonstrate the matter of the course in practice. In this way our training will become a theoretical question.

Please study our new plan of the course;

Date: 10-12th of March 2006.

Venue: in Székesfehérvár or in Budapest

Experts: Coach training: Mr. Daniel Mitrea (Romania) and Mr. Michael Cowan (NZL)
Refrees training: Mr. Xxx (Romania or France or other person)

Program:

As the program shows we should like to organize a test tournament for the National Ladies Teams (see above) parallel with the course. We would be pleased if the coaches and referees of our neighbourhood countries accompanied their national teams and took part in our course.

Besides these can you help us in the referees training,

- I mean to take an expert with you,
- or HRU invites a French referee by the help of our friends,
- or FIRA-AER delegates an expert

We are waiting for your reply relating the date and the program,
With thanks and respects,

Mrs Ria Ispán
General Secretary
